

Write Your Story

Writing Instructions:

These exercises are warm-ups to take you into the longer writing exercises, and can take you into Jumping into the Portal.

Set a timer for one-minute.

Use the first sentence as a starter sentence, then write for another minute using the second sentence.

Do this twice, and then you are prepared to write longer:

WRITING WARMUP 1

Everything was at risk.

[write for one minute]

I was stuck between two worlds.

[write for another minute]

WRITING WARMUP 2

I began to fly, unaware I had wings.

[write for one minute]

In each word, there burned a wick.

[write for another minute]
